Solutions for Festivals

A group of industry leaders from across the European festival sector are working together to ensure fans can return safely to full capacity outdoor live events at the earliest opportunity.

At the invitation of Yourope (the European Independent Festival Association), industry leaders including AEG Presents, Eventim Live/FKP Scorpio, Goodlive, Live Nation and Superstruct Entertainment are working together on the Solutions for Festivals initiative.

The Solutions for Festivals work group is consulting with senior figures from production, the supply chain, and festival health & safety, as well as experts in SARS-CoV-2 health and medicine. The group are reviewing and co-ordinating efforts to implement best practices for the health and safety of fans as festivals return.
